## IMPORTANT:

We have updated the Mukuru Card. You now have your own Mukuru Money number for receiving EFT payments. Please give the following details to anyone wanting to make an EFT payment into your card, like your employer:

Bank: Access Bank

Branch Number: 410506

Account Number (Mukuru Money Number): 51456177900

For the reference, you do not need to use the 16-digit card number anymore. Your unique Mukuru Money number acts as an account number and will ensure that the money reflects against your Mukuru Card.

**Please note the Standard Bank payment option will no longer be available. Please advise your employer/ payer to switch and now use your Access Bank details as displayed above.**

To get your Access Bank details anytime please dial \*130\*566# and choose the card option, call 0860018555 or via the Mukuru app.

Please remember that the Mukuru Card is a simplified transacting card. You can not do debit / stop orders on it.

The unique Mukuru Money number just makes it easier for you to receive EFT payments. For instance, your employer will be able to enter these details into their existing payroll system like any other account.

The Mukuru Money number is NOT a bank account number, it is a unique number allocated to Mukuru Financial Services (Pty) Ltd that allows for the correct allocation of an EFT to your Mukuru Card.
